### **It's for the birds!**

Event proceeds will benefit summer and winter habitat for migratory songbirds that travel the St. Croix River Flyway. Twice each year, these small birds travel thousands of miles between their breeding grounds in the Midwest and wintering grounds in Central and South America. Your ticket purchase will help these “birds without borders” by protecting the natural landscapes they need. Funds will support habitat restoration, land acquisition, and conservation easements here in MN/WI and in Costa Rica.

### **Tickets**

\$18 at the door. Buy discounted tickets in advance at [brownpapertickets.com](http://brownpapertickets.com) [Search: Tropical Wings Salsa Dance]

### **Info: 612-747-8267**
